PUBLIC LIBRARY.

REPORT OF THE TRUSTEES.

To the Citizens of Dunbarton:

We the trustees hereby extend our thanks to the selectmen, in behalf of the town, for the purchase of additional shelves, enough probably to last from ten (10) to twelve (12) years.

We have bought and put into the library fifty-nine (59) new books, mostly fiction, but a few non-fiction; and three (3) have been given by friends, for which we extend our thanks.

Through the generosity of Ex-Senator Henry E. Burnham the library has had an addition of ninety-six (96) volumes, some of which may be quite valuable for reference or study; also a large map of the United States (for reference see librarian's report), for which we hereby extend to said Burnham our sincere thanks.

We take this opportunity to extend our thanks to our librarian for her faithfulness in the discharge of her duty; also our appreciation of the extra work she has had in cataloguing so many extra books that have been given.

Respectfully submitted,

OLIVER F. WILSON,
AARON C. BARNARD,
EUGENE S. TUCKER,

Trustees.

LIBRARIAN'S REPORT.

For the year ending February 14, 1914.

To the Board of Trustees:

GENTLEMEN—During the past year you have bought fifty-nine books. Three books of fiction have been given by friends.

Ex-Senator Henry E. Burnham has given to the library ninety-six books and a large map of the United States.

I have not put them on the list of new books, which will be printed, but they consist of Agriculture Reports, Reports of the Bureau of American Ethnology, Constitution, Rules and Manuals, Reports of the Bureau of Animal Industry, Bureau of Fisheries, Memorial Addresses, Annual Reports of the Smithsonian Institution and National Museum of different dates. Also the Laws of New Hampshire have been sent to the library.

I have catalogued the books on cards, arranged alphabetically, which had not been re-arranged since the library was burned. For instance, if a borrower wants to know if the library owns a book by Scott, he has only to look in the S cards, or if we have the book "Queed" to look in the Qs.

New shelves have been added, also two long rugs.

One thousand six hundred and seven books have been taken out during the year; fines taken, \$1.47; number of books in library, 1,350.

Each person can take two books of fiction and two of non-fiction if they desire.

Respectfully submitted,

RUTH G. EMERSON,

Librarian.

REPORT OF SCHOOL BOARD.

Although the school year has of necessity been short because of lack of funds, we feel that much good work has been done. In three of the schools we have been able to retain the teachers of last year. The fourth, the Burnham Hill school, has been handicapped by changes throughout the year, having had three different teachers. At the end of the Christmas vacation, Miss Chisholm, who was engaged for the winter term, was unable to return, and it was thought best to discontinue the school for the remainder of the term.

There have been no changes in text-books, but a large blackboard has been added to the equipment of the Center school.

The sum raised for repairs was expended principally on the shingling of the Waite schoolhouse and in the completion of the repairs begun last year at Montalona and some much needed work at the Center.

It is with gratification that we report the average attendance much better than last year, and we would urge on both parents and children the desirability, we had almost said necessity, of continued effort and coöperation with the teacher in her work.

ANNIE M. BURNHAM,
JOHN LADUE,
WALTER H. BURNHAM,

School Board.
